

John Travolta

John Travolta he had a discotheque, he had a discotheque, John
Travolta

And he never laughed, and he never cried, all he did was go like this
With the right and the left

John Travolta he had a discotheque, he had a discotheque, John
Travolta

And he never laughed, and he never cried, all he did was go like this
With the right and the left and the right

John Travolta he had a discotheque, he had a discotheque, John
Travolta

And he never laughed, and he never cried, all he did was go like this
With the right and the left and the right and the left

John Travolta he had a discotheque, he had a discotheque, John
Travolta

And he never laughed, and he never cried, all he did was go like this
With the right and the left and the right and the left and the head

John Travolta he had a discotheque, he had a discotheque, John
Travolta And he never laughed, and he never cried, all he did was go
to bed
