

# Once There Was a Martian

This is a repeat after me song  
Once there was a martian  
Who came from mars  
He ate all my skittles  
And my chocolate bars  
He banged on my tambourine  
And buzzed on my kazoo  
And then he showed me  
The hoola hoola hoo  
The hoola hoola hoola hoo  
The chanky chanky chang  
The libity lobity libity loo  
The hoola hoola hoo  
So if you meet a martian  
Who comes from mars  
Let him eat all your skittles  
And your chocolate bars  
Let him bang on your tambourine  
And buzz on your kazoo  
And then he'll show you  
The hoola hoola hoo
